Event Planning

Congratulations!

Getting married is definitely something to celebrate! With all the engagement excitement comes questions, pressure, and planning! Don't stress... we have your back!

Thinking about hiring a wedding planner is a major way to relieve stress and focus on your engagement! We are Casey and Lea of Curated Love, and we're here to help!

With us, you will have a wedding advocate, someone to ensure your dream day becomes a reality. We will create a wedding that reflects your unique love & style!

We can't wait to work together on your wedding day!
